

Notice Regarding Proposed Dismissal of Qosimzoda Hasan

Qosimzoda Hasan, male, student ID: G4317240124, passport No. 403966991, is enrolled in the three-year higher vocational program of Landscape Engineering Technology (Landscape 24 International Class), Class of 2024, School of Public Utilities. The student failed to return to campus on time for the start of the Fall 2025 semester and did not complete the required leave procedures. He has not participated in any academic activities for over two consecutive weeks. According to the relevant requirements of the *Jiangsu Urban and Rural Construction Vocational College Management Measures for International Students (Trial)*, he has met the criteria for automatic withdrawal. The student has submitted a personal withdrawal application but has not provided parental signatures. The school has repeatedly notified the student via WeChat and email. As of September 24, 2025, no response has been received. This notice is hereby served through publication on the school website. Notice Period: September 24, 2025, to October 1, 2025. Service shall be deemed complete upon expiration of this period.

If the student objects to above decision, a written appeal, stating the reasons and providing supporting materials, may be submitted to the College's Student Appeal Committee within the notice period, in accordance with the *Jiangsu Urban Rural Construction College Student Appeal Regulations*. Appeals submitted after the deadline will not be

accepted. Following the expiration of the announcement period, the School will submit the case to the Academic Affairs Office for processing the cancellation of student status and will issue an official dismissal document.
